2nd Excess Layer Underwriter: Cigna Insurance – Indemnity \$15,000,000

Unfortunately, we do not have any copies of the actual policy documents and therefore, I would not expect to receive an immediate response from underwriters until at least they have been able to clarify the extent of the cover provided and secondly details of when the alleged offences took place.

We are still endeavouring to locate records prior to 1984, and will advise you of the outcome as soon as we are able.

Kind regards

KEN WINKS
