

Peter

A number of people who attended the Sportsman's Dinner on Friday night have told me how impressed they were with both you and Howard for taking the opportunity to address the gathering as you did and how you both spoke with sincerity and openness.

Re Annual Giving - we have had a number of returns so far - either new donors or same/increased gifts - with 2 "How dare you ask me" responses from OBs - no names of course. Time will tell as to how the figures will be affected.

Regards

Bruce
