**Subject:** CREF\_05315 - redress for we the victims of child sexual and other abuses

hi,my name is Phylis Read and i am a Forgotten Australian/Stolen Generation Child Abuse Survivor,i have given my testimony and evidence at both the Victorian and Federal Royal Commissions.I have been told that we must now write to you about redress,so i would like to let you know many are asking to do this by email as we have been told it must be done before the 4th of June.

I request a redress scheme to be set up for all abuse victims both church and state,that is paid directly to all victims so the lawyers do not take away compensation from them,and that it needs to be easily accessible, preferably direct to all victims.Thankyou Phylis.J.Read 28-5-2014
